Activity buses will be available beginning at 3:30 p.m. Monday, Wednesday and Thursday to take students home.

Administrative detention: The students will report to the area designated for administrative detentions. Detentions are held on all full school days, Monday, Wednesday and Thursday. Students are requested to be present from 2:20 - 3:20 p.m. Activity buses will be available beginning at 3:30 p.m. Administrative detentions are to be assigned by administrators only.

In-school-suspension: Certain infractions of school rules may result in In-School-Suspension. In this case, the student will be marked present for school, but will be limited to the I.S.S. room. The student will be required to have work from his/her teachers to complete during the length of the suspension. A letter will be sent home. In-school suspension will be limited to 6 days. All suspensions beyond that point will be out-of-school. Parent notification will be made.

Suspension: The student is not permitted in the building for the length of the suspension, unless accompanied by a parent or guardian. The student is also not permitted to participate in any extra-curricular activities, including sports, while on suspension. A student may, however, observe said events if accompanied by a parent. A letter will be sent home. If a student comes to the school while on suspension, the student may be charged with criminal trespassing by police liaison and/or additional days of suspension will be given. Parent notification will be made.

Expulsion procedure: The student will be placed on home instruction awaiting a hearing in front of the Board of Education. At the board

meeting, information will be presented from both the school administrators and student. The Board will determine the outcome of the case based on the facts provided. The Board will also rule on the disposition of the offense.

Exclusion from all school social activities and functions: This will include all sport activities and events, proms, dances, clubs, trips, extra-curricular activities and graduation events.

Administrative Hearing: This meeting will be arranged with the parent and student prior to the student's return to school. This meeting may involve the Assistant Principals and Assistant Superintendent.

In addition, the legal age for smoking tobacco or tobacco products is 21 years of age. Also, it is illegal for anyone to smoke or use any kind of tobacco or tobacco products on school grounds.

Drug and tobacco/tobacco products paraphernalia includes, but not limited to, items such as: storage items, bong, roach clips, and various types of pipes, spoons, rolling papers of vaporized pens.
